Purchaser: _____ Title: _____

Acc. Payable: _____ Date: _____

Signature: _____

Reseller Program Details

The 360 Computers Reseller Program is designed to promote mutual growth, both for the applicant(s) and 360 Computers. The applicant(s), once approved, will have access to discounted pricing on store stock and special order items for the purposes of resale to end-users or system integration for re-sale to the end user.

The applicant(s), once approved, will also have access to OEM hardware and software licensing programs from a variety of vendors. Adherence to licensing structure, regulations, terms and conditions vis-à-vis the end-user through the applicant(s), whether software or hardware, is solely the responsibility of the applicant(s) themselves, and 360 Computers will be in no way held responsible or liable for applicant(s) failure to conform to said licensing.

The 360 Computers Reseller Program is a volume-based account, and as such discounted pricing is based on maintaining a minimum volume of \$2500 monthly. Failure to maintain this minimum volume may result in suspension or termination of the reseller account at 360 Computers' sole discretion.

Any and all pricing provided under the reseller program is assumed to be for payment by cash, interac, certified cheque, or company cheque (with three pieces of I.D., one of which must be a valid Visa or MasterCard). Payment by credit card will incur an additional 2.5% service charge applied to the grand total. A \$25.00 fee will be applied for each NSF cheque. If repeated attempts by 360 Computers to collect payment pursuant to an NSF cheque are unsuccessful, the applicant(s) credit card will be billed for the amount owing (including a 2.5% service charge applied to the grand total, as mentioned above). Repeated NSF cheques will result in suspension or termination of the applicant(s) account at 360 Computers' sole discretion.

360 Computers may, at its sole discretion, limit quantities sold for any item or items. Pricing and or availability for any item(s) are subject to change without notice. 360 Computers makes no guarantee or warranty of any kind for any items, either express or implied, including (but not limited to) the implied warranties of merchantability and or fitness for a particular purpose.

Items sold abide by the terms and conditions of sale listed on the invoice, excepting in such cases where said terms and conditions are found to be in conflict or contradiction to the terms listed here, in which case these terms will override the terms listed on the invoice. The terms and conditions listed here are subject to change without notice.

I have read and understood the terms and conditions:
